SCARLINE 4T 10W-40 JASO MA2

SCARLINE 4T 10W-40 JASO MA2 is a synthetic based, high-performance engine oil developed specifically for modern 4-stroke motorcycles. Formulated with advanced synthetic base stocks and a carefully balanced additive system, it offers superior protection and smooth performance across a wide range of operating conditions.

It meets API SN and JASO MA2 standards, ensuring exceptional wear protection, optimized clutch performance, and enhanced engine cleanliness. It is ideal for motorcycles requiring wet clutch compatibility, integrated gearboxes, and high-revving engines. Suitable for all modern sport, touring, cruiser, and off-road motorcycles from brands like Honda, Yamaha, Suzuki, Kawasaki, KTM, BMW, and more.

Features and Benefits

- Complies with JASO MA2 to deliver maximum friction stability, preventing clutch slippage during acceleration and ensuring smooth gear shifts.
- Withstands high temperatures and extreme operating conditions without breaking down, extending oil life and engine cleanliness.
- Excellent low-temperature fluidity ensures rapid oil flow at startup, reducing wear and improving engine response.
- High-performance detergents and dispersants keep engine components clean and free from deposits, varnish, and sludge.
- Provides low oil consumption thanks to its low volatility feature.

Specifications

Meets and Exceeds:

API SN; JASO MA2

Test	Method	Typical Properties
Kinematic Viscosity (100°C), [cSt]	ASTM D445	13,5 - 15,5
Density @ 15°C g/ml	ASTM D4052	0,860 - 0,885
Viscosity Index	ASTM D2270	Min. 150
Flash Point, °C	ASTM D92	Min. 210
Pour Point, °C	ASTM D97	Max. -33
Total Base Number, mg KOH/g	ASTM D2896	Min. 8,0

Health & Safety

This product does not pose a significant health or safety risk when used appropriately. For detailed safety information, please refer to the Safety Data Sheet (SDS).

Store in a cool, dry, and well-ventilated area, away from direct sunlight and moisture. Keep containers tightly closed to prevent contamination. Dispose of contents and containers in accordance with local regulations.
